Clinical Experience

Licensed Clinical Psychologist – Cornerstone Clinical Services August 2021-Present
○ Provide psychotherapy services to a case load of 10-12 clients per week.
○ Conditions treated include mood disorders, trauma-related disorders, substance-abuse, spirituality concerns, LGBTQ+ issues, and others.
○ Consultation with fellow clinicians/colleagues.

Behavioral Health Provider – Providence Medical Group – Sherwood September 2020-July 2021
○ As a licensed psychologist, provide behavioral health consultation to Providence patients for numerous issues including but not limited to, depression, anxiety, other mood disorders, schizophrenia spectrum and other psychotic disorders, weight management, diabetes management, and chronic pain.
○ Work includes rapid diagnosis of psychopathology as well as interdisciplinary collaboration with physicians, nurses, clinical pharmacists, and other professions to provide comprehensive healthcare to patients.
○ Provide behavioral health services in Spanish to monolingual Latinx patients when necessary.

- Consultation with other medical staff such as physicians and nurses including case management and warm handoffs.
- Provide psychological screeners and assessments when appropriate including but not limited to, depression and anxiety screeners, brief memory screeners, and comprehensive personality and intelligence assessments.
- Assist with referrals and bridging of care to outpatient and/or inpatient resources as needed.

Postdoctoral Psychology Fellow – I Ola Lāhui Rural Hawai‘i Behavioral Health September 2019-August 2020

- Provided culturally informed behavioral health services two days per week on the remote, rural island of Lāna‘i at Lanai Community Health Center. Worked in collaboration with medical providers, registered dietician, community health workers, and psychiatry via telehealth. Provided treatment to patients across lifespan, ranging from childhood to late adulthood.
- Provided culturally informed psychological treatment to individuals at the I Ola Lāhui Behavioral Health Clinic in Honolulu, Hawai‘i.
- Conducted 1-2 social security/disability evaluations weekly including psychodiagnostic interviewing and assessment as well as writing reports.
- Engaging in weekly clinical supervision (1 hr per week) in addition to monthly professional development supervision.
- Collaborated with two fellow postdoctoral residents to organize and implement behavioral health and wellness programs for Native Hawaiian kūpuna (elders) and their givers through a 2-year grant from the Office of Hawaiian Affairs. Activities included, regular social activities, behavioral health classes, individual therapy, caregiver wellbeing classes, case management, distribution of hygiene supplies, exercise classes, cultural experiences such as hula and introduction to traditional plants in collaboration with cultural experts.

Psychology Intern – I Ola Lāhui Rural Hawai‘i Behavioral Health August 2018-August 2019

- Provided culturally informed behavioral health consultation three days per week to Wāimanalo Health Center patients for numerous issues including but not limited to, depression, anxiety, SPMI, weight management, diabetes management, and chronic pain.
- Attended 2.5 hours of weekly clinical and professional development supervision as well as weekly research meeting, group supervision with Director of Training (DOT), case conferences, and journal club.
- Attended weekly didactics concerning a wide range of clinical topics.
- Collaborated with fellow interns to utilize grant funds for a community outreach activity in a high-needs area in Honolulu.
- Performed weekly social security/disability evaluations including psychodiagnostic interviewing and assessment as well as writing reports during 6-month rotation.

George Fox Behavioral Health Crisis Consultation Team Jan. 2016 – June 2018

- Provided after-hours crisis assessment and consultation for Willamette Valley Medical Center and Providence Newberg Medical Center in Yamhill County, a rural, high-needs county.
- Assessed risk of suicide, homicide, and risk of self/to others of patients and criteria for inpatient hospitalization.
- Provided assessment and recommendation for discharge plan to attending physician.
- Case management including locating inpatient hospitalization placement, respite care, travel arrangements, connection with next-day therapy appointments, and referral to substance treatment.
- Coordination and consultation with different systems including physicians, nurses, law enforcement, and Yamhill County mental health providers.
- Supervisors: Mary Peterson, PhD; William Buhrow, PsyD; Joel Gregor, PsyD; Luann Foster, PsyD

Practicum II Student & Pre-internship Student, Providence Medical Group – Newberg Clinic
May 2016 – June 2018 (2 Year Practicum)

- Provided behavioral health consultation to Providence patients for numerous issues including but not limited to, depression, anxiety, weight management, diabetes management, and chronic pain.
- Provided behavioral health services in Spanish to monolingual Latinx patients when necessary.
- Consultation with other medical staff such as physicians and nurses including case management and warm handoffs.
- Provide psychological screeners and assessments when appropriate including but not limited to, depression and anxiety screeners, brief memory screeners, and comprehensive personality and intelligence assessments.
- Supervisor: Jeri Turgesen, PsyD

Practicum I Student, George Fox Behavioral Health Clinic August 2015 – June 2016

- Provided therapy services to diverse population of clients from and around Yamhill County.
- Conducted intake interviews, developed treatment plans, wrote formal intake reports and progress notes.
- Conducted therapy in Spanish with monolingual Latinx clients when needed.
- Received weekly group and individual consultation.
- Performed administrative duties including, answering phones, checking phone messages and email, scheduling, handling of payment, and releasing of records to other agencies with client authorization.
- Supervisor: Joel Gregor, PsyD
- Consultant: Christine Green, M.A.

Pre-practicum Student, GDCP

January 2014 - May 2015

- Responsible for teaching 2-3 graduate-level courses per semester.
- Leading a clinical team comprised of graduate students and provide supervision on cases.
- Engage in research projects throughout as well as serve on dissertation committees for students.
- Support students via group and/or one-on-one meetings for mentoring and support.
- Other program duties as requested by GSCP chair, Dr. Celeste Jones.

Teaching Assistant/Student Supervisor for PSYD 530, Clinical Foundations April 2017-May 2018

- Provided support to Dr. Glenna Andrews with grading, managing class webpage, and class discussions.
- Supervised a group of 4 first year PsyD students, meeting weekly with them.
- Met weekly with Dr. Andrews and fellow TAs to discuss students' progress and relevant concerns.
- Aided in establishment and development of clinical skills from a Person Centered approach.
- Reviewed videos of simulated psychotherapy and provided feedback concerning development of clinical skills.
- Provided feedback and direction surrounding professional development throughout first year.
- Will screen undergraduate students to select appropriate simulated clients for PsyD students during second semester of the course.

Teaching Assistant for PSYD 574, Spiritual and Religious Diversity in Professional Psychology August 2017-December 2017

- Provided support to Drs. Winston Seegobin and Sarita Gallagher with grading, managing class webpage, and class discussions.
- Emphasized and discussed issues of spirituality and religion with regards to appropriate client care in therapy.
- Encouraged students to discuss diversity of religion and spirituality as well as importance of recognition and respect of diverse religious views among our clients.

Teaching Assistant for PSYD 541, Multicultural Therapy January-March 2017

- Provided support to Dr. Winston Seegobin with grading, managing class webpage, and class discussions.
- Emphasized and discussed issues of diversity, power, and privilege with students.
- Provided mentorship to students in PSYD 541.
